

New Testament Church

Apostle Thurlow Switzer

We have not focused on this theme specifically in recent years and it is due time to pursue the subject with new vigor and revelation. The Kingdom of God is designed to be reflected in the context and community life of local churches. Dear brothers and sisters, this is where we live and we want to help each other to be renewed with passion and purpose to accomplish what God intends. Jesus said, "I will build my church and the gates of hell will not prevail against it." Plan to attend and enter into the exciting and purpose-designed subjects that we will dialogue about.
