The Power of Truth

Leading God's People in the Midst of Darkness

February 28—March 2, 2013

Living Grace Ministries Leadership Convocation

The Power of Truth

Apostle Thurlow Switzer

Truth seems to be up for grabs today. Truth seems to be whatever anyone wants to make it be. We will pursue an up-to-day understanding of truth and one that is rooted in the integrity and authority of the Scriptures. We will seek to understand how to communicate truth in the verbal ministry of teaching and preaching, how to embody the truth in one's lifestyle as disciples of Christ, and what it means to hold to a truth perspective in the midst of the cultural battle floating around us on every side. Of course, we will rejoice in the fact that Jesus Christ is the very essence of truth.

The Living Grace Convocation is designed for the encouragement and training of leaders and servants in the Body of Christ - pastors, evangelists, prophets, teachers, elders, deacons, ministry leaders, and apostles; especially for established leaders in local churches. The convocation is also for any emerging congregational leaders whom pastors desire to invite and bring along with them. Bring yourself and your developing leaders to this important conference.

A freewill offering will be taken to help cover convocation expenses and to support Living Grace Ministries.
